

# Do you have Rosacea?

(Facial flushing, redness, nodules, and other skin lesions  
most commonly on cheeks and nose)

The Institute of Anti-Aging Research is looking  
for healthy adult volunteers, 30 years to 70 years,  
to participate in a research study.

**Call: (757) 417-8300**

**David H. McDaniel, M.D., FAAD**
